

P-SCREEN™

60 Day Triple Action Urinal Screen

WHAT IS **P-SCREEN™**

60 Day Triple Action Urinal Screen

Vectair P-Screen™ urinal screens are a 60 day fragrance solution for most urinal shapes and sizes. Vectair P-Screen™ is an effective solution that reduces bad smells for up to 60 days with a deep bubble and bristle design that prevents splash back and drain blockages.

TRIPLE

Revolutionary design.

Triple action screen

The World's first triple action screen, offering both dual fragrance and enzyme protection. The active central core in the urinal screen is not only designed to reduce bacteria, but also provides a secondary fragrance in the screen. This combats fragrance fatigue, which is a common experience of losing sensitivity to smells from over exposure. Its large surface area means it can also provide extra fragrance delivery.

ACTION

Active central core.

Clever design features

With its unique design features, and strong fragrance performance, Vectair P-Screen™ offers the perfect solution for urinal maintenance with enhanced fragrance delivery and splash back protection for up to 60 days. Its flexible core is built using interlacing strips of EVA material to form a strong lattice, making it less rigid than other screens, giving it the ability to fit almost any urinal.

The deep bubbles in the design help to reduce the risk of splash back, while the bristles absorb the liquid for optimum hygiene. At the same time they allow water to drain away, preventing waste or other materials blocking urinal traps.

Active central core

Vectair P-Screen™ urinal screens incorporate an active central core within the screen, containing naturally-occurring bacteria which produce enzymes to degrade organic matter, eliminating bad smells.

This also reduces organic scale build-up by ensuring that uric salt is made more soluble, broken down and therefore made easier to flush away.

SCREEN

Protection & dual fragrance.

Features & Benefits

High quality and strong fragrance for up to 60 days.

Unique bubble & bristle design to allow water drainage.

Deep bubble & bristle design for optimum splash back protection.

Helps prevent blockages in urinals and uric salt build up in pipes.

Large grip pad.

Flexible EVA lattice core to sit comfortably in any urinal.

Bright and vibrant shades to encourage use.

VOC exempt.

Fully recyclable.

Specifications

Material: Flexible EVA
Recyclable: 100%
Case pack: x 6 per case

Fragrance longevity: Up to 60 days
Approx weight: 210g / 7.4 oz

Fragrances

1. Lavender & Geranium
A revitalizing fragrance of lavender and geranium. [P-SCREEN LAVENDR]
